

REMARKS

In response to the office action of November 17, 2005, Applicant has corrected the status identifiers for the currently pending claims. In response to the restriction, Applicant elects claims 1-7, 12-18, 21, 22, 36-39, and 50 as reading on the elected group (I) and species (FIG. 3). As previous, Applicant alleges that FIG. 3 includes FIGs. 1-3, as FIG. 3 includes the structures shown in FIGs. 1-2 and adds additional structure. Applicant notes that claim 40 was originally missing, and is therefore presented as a canceled claim. Applicant has hereby withdrawn claims 8-11, 19-20, 23-35, 40-49, and 51-53. Therefore, claims 1-7, 12-18, 21, 22, 36-39, and 50 remain, consistent with previous requirements set forth by the Examiner.

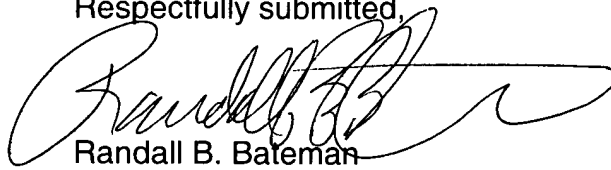

Should additional changes be necessary, it is requested that the Examiner call Randall Bateman at (801) 533-0320 to enter a further amendment.

The Commissioner is authorized to charge any fee owing or credit any overpayment to Account No. 502720.

In light of the amendment, Applicants submit that the pending claims are in condition for allowance. Additionally, as the generic claims read on the non-elected species, it is requested that claims drawn to the non-elected species be considered upon acceptance of such a generic claim. Applicant desires to present withdrawn material, as well as the claims previously cast as claims 54-57 upon acceptance of a generic claim

DATED this 9th day of December, 2005.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Randall B. Bateman", with a large, sweeping flourish extending to the right.
